Tracking Plans and Invoices

This chapter outlines the organization of the Plans and Invoices tabs in HCAI, including how to sort lists and what form statuses mean. This chapter also explores how to submit a form and searching for submitted forms.

Explanation of Benefits (EOB)

The Explanation of Benefits form (EOB), formerly known as the OCF-9, is a statement sent to the claimant from their insurer explaining what medical treatments and/or services will be paid for on their behalf.

- The EOB can be generated by an adjuster in HCAI once the adjuster has recorded a decision against a submitted OCF document.
- The adjuster provides a printed copy of the EOB to the claimant. They can also choose to submit the EOB via HCAI, which will make it available to be viewed by the facility that submitted the plan.
- If an EOB has been sent, an  icon will appear on the Adjuster Response tab in HCAI, next to the OCF type column.

The document icon will appear when an EOB has been sent.

As of April 1, 2016, Part 6: Applicant's Rights to Dispute has changed.

The [Safety, Licensing Appeals and Standards Tribunal Ontario](#) (SLASTO) have assumed all new applications for dispute resolution from the Financial Services Commission of Ontario.

SLASTO has determined the new wording for Part 6 which is available on their website at slasto.gov.on.ca and can be found by searching for "Automobile Accident Benefits Service" and clicking on News.

To streamline the user viewing experience on HCAI, Tab 3, which used to contain the Applicant's Rights to Dispute, will be hidden from the web view. The new wording will be displayed on the paper or PDF versions of the EOB only.

Draft

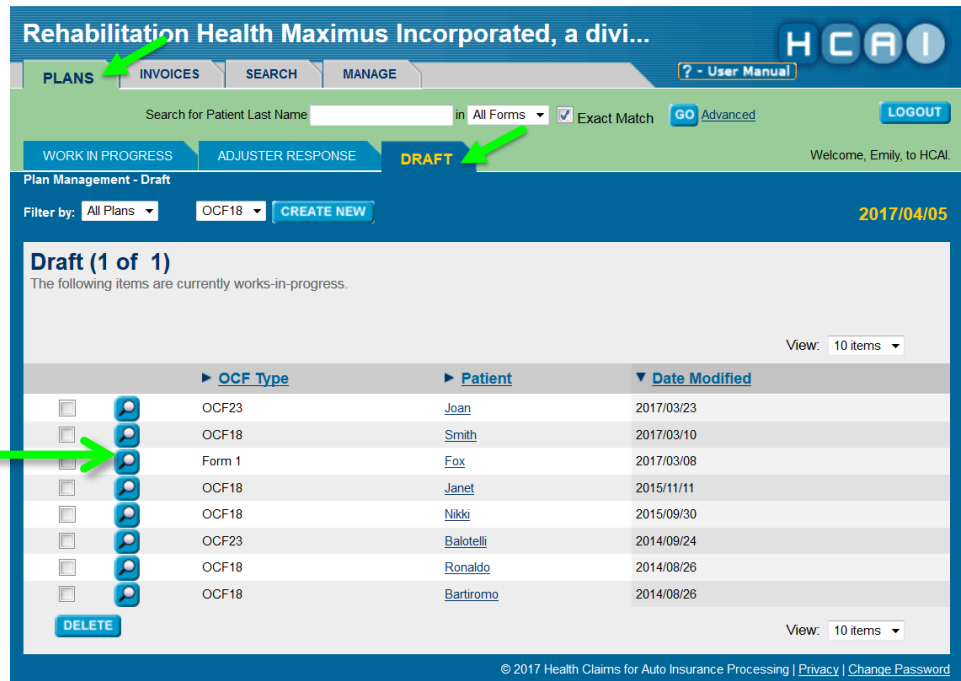

Both the Plans and Invoices global tabs have the Draft sub-tab. This displays all the Plans or Invoices that have been created and saved, but not yet submitted to an Insurer. To review a Plan in the Draft sub-tab, click the  button.

What is "Date Modified"?

The Date Modified column shows the date the Plan or Invoice was last changed.

Select the magnifying glass button to open the OCF.

The screenshot shows the 'Rehabilitation Health Maximus Incorporated, a divi...' web application. The 'PLANS' tab is selected, and the 'DRAFT' sub-tab is active. The page displays a table of draft plans. A green arrow points to the magnifying glass icon in the first column of the table, which is used to open the OCF (Original Claim Form) for a specific plan.

- Toggle the "Date Modified" column to sort drafts from oldest to newest.

Unsuccessful Submission (Error Messages)

If you make an error while completing an OCF (e.g. you did not answer all the required questions), HCAI will alert you by highlighting the tab containing the error in orange. If there is an error, the OCF cannot be submitted.

Within the tab, HCAI will display an error message, highlighted in orange, in two places:

- At the top of the OCF, and
- At the section containing the error

The yellow bar at the top and the red exclamation marks throughout indicates where the errors were made.

When the error is corrected, HCAI will remove the orange highlight when navigating away from the page.
